

Proposal pattern for social media

<https://vimeo.com/609819730>

- **Directly below the video, add the text in your mother language or the suitable language for the network where you want to spread it**

Add the following text:

- Download the song for free in English and German here and learn how you can be part of the project: <http://www.geistigehelfer.de/femfort.html>
- Help to spread the project as far as possible and sing it in workshops and circles.
- If you want to support the project financially donate via paypal to info@geistigehelfer.de (choose “send to friends”)

Thanks! ♥
